

30 March 2022**Thiess secures \$300 million MSJ contract renewal**

Thiess has been awarded a three-year contract renewal to provide mining services at Harum Energy's Mahakam Sumber Jaya (MSJ) Mine in East Kalimantan, Indonesia.

Under the contract extension commencing from 1 April 2023, Thiess will continue providing mine design and planning, drill and blast, overburden removal, load and haul, asset maintenance and management, rehabilitation, water management and haul road maintenance services.

Thiess Executive Chairman & CEO Michael Wright said: "Thiess is proud to continue its longstanding relationship with Harum Energy at MSJ, where we've worked with our client to deliver sustainable mining services since the mine was developed in 2008.

"This contract enables us to continue our record of delivering certainty for our client, with a clear focus on safe and sustainable production and rehabilitation."

Thiess Executive General Manager – Asia, Cluny Randell said: "This contract renewal is great recognition of our team's ability to partner and grow together with our client and deliver long-term performance and productivity gains for Harum Energy.

"We look forward to continuing our strong relationship with our client and the community of Kutai Kartanegara, where we've worked together during COVID-19 to provide vaccinations for the local communities."
